Hello! I am Johana Copes, the organizer of tango festival Bailemos Tango! My objective is to provide you with the true tango experience, to discover the tango in its birthplace and to feel the essence and evolution of tango dance. But most important: a week for you to enjoy all time !!!

In this festival I'm reuniting the very best of Argentine tango masters, in order to bring you the best tango classes available. In addition to this I have invited a number of milongueros who will share their passion and secrets with you in dedicated classes.

I believe tango is a unique dance, in which we are free to express ourselves, to give an individual interpretation and create your own style according to one's personal sentiments in the dance.

Hola ! Soy Johana Copes, organizadora del Festival Bailemos Tango .Mi objetivo es que vivan en esta semana el verdadero mundo del Tango Argentino desde su nacimiento hasta la evolucion que esta danza vive dia a dia ;pero lo mas importante de esta semana es disfrutar cada momento y que sea inolvidable..!

En esta semana reuni a maestros reconocidos mundialmentecada uno con su estilo ,para brindarles las mejores clases de Tango .

Yo creo que el tango es unico! Es una danza libre de interpretacion,cada uno lo baila con su personalidad y lo siente a su manera .Es muy importante crear tu propio estilo!!
